Prof. of Genetics,  
Stanford University Medical Center,  
Stanford, Calif. 94305

Dear Dr. Lederberg:

Sorry to have been so slow in answering your letter of Feb. 14.

<sup>o</sup>  
Howard was to come home on the 5th and I thought he could help  
on the information you were interested in getting, so I put off  
writing to you. On the 5th Howard called to say he could not make  
it due to some illness at Rockefeller University and would come on  
the 22nd instead. So many plans were changed.

I am sorry but I have nothing to offer you about Edward and his  
work. Perhaps Howard will be able to give you some information  
on Edward's early years. I have sent your letter on to him.

Sincerely,

*Celia H. Tatum*
